

PREMIER SPONSORSHIP

JOBS JAMBOREE

March 15, 2017

Your level of sponsorship allows JSEC to award up to \$5,000 in scholarships to local college bound students registered in a JMG program and \$500 to a registered apprentice in a state program. JSEC supports many local events to include the annual Homeless Veterans Stand Down, SafetyFest and of course, Montana's largest job fair, Jobs Jamboree. Premier Sponsorship employers help considerably with those commitments.

Your package includes:

- Company logo prominently displayed on promotional materials and in key locations during the event
- Thirty minute presentation opportunity
- First choice of booth location
- Letters sent to award winners of the JSEC scholarships will display your business name

****Premier Sponsorships must be registered online at [2017 Jobs Jamboree](#)**
