There has been established within the Employment and Training Administration of the United States Department of Labor a program known and described as the "WORKFORCE INNOVATION AND OPPORTUNITY ACT OF 2014", hereinafter referred to as the ACT, which provides, among other things, an employment and training activity known and described as "WORK EXPERIENCE". "WORK EXPERIENCE" is a short-term work assignment to enhance the employability of persons who have never worked or have not recently worked by providing experience on a job, developing occupational skills, promoting good work habits, and developing specific occupational goals through job sampling.

The parties hereto are supporting the "WORK EXPERIENCE" objectives and in consideration of the mutual promises herein expressed, and do hereby agree as follows:

ARTICLE I

WORKSITE

- (1) The Worksite agrees to make available, suitable job(s) at its worksite(s) and in the respective occupation(s) described on the Occupational Summary attachment for those eligible ACT participants who are selected and referred to the Worksite by the Administering Agency.
- (2) The Worksite shall have the understanding the Administering Agency has the responsibility for all selection, recruitment, certification, and referral of all participants eligible for this program.
- (3) The Worksite understands the Work Experience participant is in a temporary assignment and that the Administering Agency reserves the right, in accord with the participant, to refer the participant at anytime to another worksite, other activities funded by the ACT, or employment which provides the opportunity for hire in a position not funded under the ACT.
- (4) It is agreed the participants will be considered for any regular job openings, which occur within the Worksite, if the participants meet the necessary qualifications for the openings. However, the Worksite, understands it is under no legal obligation to do so.
- (5) The authorized representatives of the Administering Agency and State and Federal Oversight agency for Workforce Innovation and Opportunity Act activities shall have access to the premises of the Worksite at all reasonable hours for such purposes as monitoring the activities funded under the ACT. Authorized representatives of the Administering Agency shall also have access to the premises of the Worksite at all reasonable hours for such purposes of job-related or personal counseling and job coaching.
- (6) The Worksite shall ensure all requested slots:
  - a. Result in an increase in the Agency's level of employment.
  - b. Do not result in the displacement or partial displacement (e.g. reduction in hours of non-overtime work, wages, or employment benefits) of currently employed workers.
  - c. Do not impair existing contracts for services or result in the substitution of Federal funds for other funds in connection with work that would otherwise be performed, including services normally provided by temporary, part-time or seasonal workers.

- d. Result in the creation of slots that are in addition to those that would be funded in the absence of assistance under the Act.
- (7) The Worksite further ensures that:
- a. No participant will be placed in or remain working in any position when the same or substantially equivalent position is vacant due to a hiring freeze unless it can be demonstrated the freeze resulted from the lack of funds to sustain staff and was not established in anticipation of the availability of funds under the Act.
  - b. No participant shall be hired into or remain working in any position when any other person not supported under the Act:
    - 1. Is on layoff from the same or substantially equivalent job within the same organizational unit.
    - 2. Is on layoff from or has been bumped and has recall or bumping rights to that position, per a personnel code or practice or a collective bargaining agreement.
- (8) The Worksite assures that (1) no person with responsibilities in the operation of the Program will discriminate with respect to any employee of the Program or any participant or any applicant for participation in such Program because of race, color, religion, sex, national origin, age, disability, political affiliation or belief, creed, or marital status, (2) the Program will not involve political activities and neither the Program, the funds provided therefore, nor the personnel employed thereunder, shall be, in any way or to any extent, engaged in the conduct of political activities in contravention of Chapter 15 of Title 5, of the United States Code, (3) participants in the Program will not be employed in the construction, operation or maintenance of any facility as is used or to be used for sectarian instruction or as a place of religious worship, (4) no individual will be placed in a work experience activity if a member of that person's immediate family is directly supervised by or directly supervises that individual (WIOA Regulation 683.200(g); Montana Codes Annotated (MCA) 2-2-301 through 2-2-304), and (5) all Employment and Child Labor Laws will be obeyed.
- (9) The Worksite understands that neither overtime work nor overtime pay is allowed.
- (10) The Worksite shall advise the Administering Agency of the existence of Collective Bargaining Agreements covering occupations for which work experience is proposed. Where a Bargaining Agreement exists, written concurrence must be obtained from the appropriate Bargaining Agency prior to the selection or referral of applicants. Where no Bargaining Agreement exists the Worksite shall attest by signing the concurrence.
- (11) The Worksite shall request approval of the Administering Agency prior to allowing a participant to perform duties not contained in the description of the work experience to be provided on the Training Summary attachment. The Worksite understands that if duties change the Training Summary must be modified. A change in a job title will require a new Training Summary.
- (12) The Worksite shall provide worksite supervision at all times and sufficient equipment and/or materials to carry out the activity and ensure the enhancement of the participant's employability.
- (13) The Worksite shall ensure complete and accurate records of participant's time and attendance. Such records must be completed in ink and signed and dated by the participant and the worksite supervisor.
- (14) The Worksite shall otherwise abide by and comply with all standards, rules, policies, guidelines and procedures adopted by the U.S. Department of Labor and delegated to the Administering Agency for implementation under the Act.
