WINNER: Alisa Jore – Lake County JSEC

Alisha has participated in several AP classes, foreign language studies, Symphonic Band and Select Choir. She passed AP US History and AP Literature & Composition exams, receiving college credit for this achievement. She has been a part of the Cross Country team for four years, and three years in Track and Field.

In the community, Alisha has participated in Relay for Life, Big Brother and Sisters fund raisers, church youth activities, Fellowship of Christian Athletes, and is a member of the ReAct group, an anti-drug and tobacco group. For employment, Alisha has worked as a hotel housekeeper, a greenhouse worker, a farm worker and a child care provider.

An extremely motivated student, Alisha strives to excel. As one of a set of quadruplets, the financial burden of four college bound kids is a huge concern to the family. Alisha determined to help herself as much as possible, getting jobs and, with a 3.78 GPA, doing her best in school.

Through a serious personal physical challenge, Alisha states that she learned that situations in life do not define her, but rather focus on embracing the positives in each day and overcoming adversity. Described as respectful, thoughtful, personable, intelligent, honest and creative, "She always sees projects through to completion. Her awareness of the needs of others demonstrates her compassion and profound care". Alisha challenges herself with difficult coursework, is involved in sports, and still finds time to volunteer in the community.
